< NOTICE >

Change in "Frame No System" and introduce of "Model Label"

- 1) The numbering method of "Frame Number" on Motorcycle, ATVs has been changed since our October 1995 production models.
- 2) Our products conforming to this method bear a newly introduced "Model Label", which is sticked near the seat bottom, provides the following information.

- (1) Model Type Code : Four Alphanumeric letters.
 - (2) Production No Code : Three Digits.
 - (3) Coloring Type Code : Single Alphabetical letter.
- 3) The "MODEL INDEX 2012" issue provides "Model Type Code" and "Production No Code" information of "Model Label" in all pages of Motorcycle, and ATVs.
 - 4) It is possible to know the "Model Name", "Model year", "Destination", etc. of a certain model by cross - reference from "Model Type Code" and "Production No Code" of "Model Label" to those of "Model Index".
